Date: May 11, 1992

Sub: Review of Preliminary Site Characterization Summary Report  
Olin Corp./McIntosh Plant NPL Site  
Washington County  
McIntosh, Alabama

From: David W. Hill, Regional Expert Engineer *DW Hill*  
Ground-Water Technology Support Unit

To: Cheryl W. Smith, RPM  
AL/GA/MS Section  
South Superfund Remedial Branch

Thru: Rutherford B. Hayes, Chief *R B Hayes*  
Ground-Water Technology Support Unit

The subject document for the Olin plant has been reviewed as requested in your April 20, 1992, memo to Rutherford B. Hayes.

This review was conducted, as you requested, in conjunction with the Phase II Sampling and Analysis Plan (SAP), which we reviewed earlier. We have not noted any deficiencies or data gaps, and we have no comments in addition to those previously submitted on the SAP.

If you have any questions, please call me at x3866.
